Reminder that parents and spectators must not give a player Advice but can assist in ball searches and permitted to carry food/beverages/umbrella/rain suit, etc. for a player.
- *Spectator Carts*: Due to the limited number of golf carts at the host club, spectator carts will not be available.

Pace of Play: The SGA wants all players to enjoy competing in our events. Pace of play may differ depending upon the venue, weather, and course conditions. Every player is accountable for playing at an acceptable pace; therefore, we need your help. Please observe the following guidelines to help ensure a pleasant tournament experience for all:

- Make sure to keep pace with the group in FRONT of you. The group behind should keep pace with your group and so forth.
- Go directly to your ball.
- Be ready to play when it is your turn or request to play out of turn if it is safe to do so.
- Keep practice strokes and time taken to read putts to a minimum.
- Play a provisional ball if your original ball may be lost outside a penalty area or out of bounds.
- Keep time taken between nines to a minimum.
- Your SGA issued scorecard will have the maximum pace of play per hole printed on it.

Pace of Play Policy

A group that is out of position will be advised of the situation and the individuals may be timed.

- Any competitor who is discovered taking more than 40 seconds to play a stroke is subject to a warning for slow play and will be advised of the fact.
- The competitor will be notified that exceeding 40 seconds on one more occasion will result in a penalty of one stroke. A third violation will result in a two-stroke penalty, followed by disqualification for a fourth violation.
- A warning is any notice given to a competitor regarding pace of play.
- A competitor's time to play begins when the competitor has had a reasonable opportunity to reach his or her ball and when it is the competitor's turn to play and can do so without interference or distraction. Penalties are applied individually, but more than one competitor in a group may be penalized.
- In general, competitors in a group are subject to being timed at any time but specifically when the group is deemed to be out of position and over the allotted pace of play guidelines.
- The policy may provide that at any time, if a player is observed by a referee to take longer than a specified time to play a shot (i.e., 120 seconds), they will be notified of the excessive shot time and be timed, even though the group is in position.

Note that a group that is out of position at any time may be asked to close the gap regardless of pace of play guidelines. A group is out of position if they are over their maximum acceptable pace of play and more than 15 minutes behind the group ahead of them. The first group off either side is out of position if they are over their maximum acceptable pace of play.

To continue making the SGA experience enjoyable and rewarding for everyone, the SGA requires all tournament participants to adhere to a set of guidelines known as the Code of Conduct.

Violations of Code of Conduct

It is impossible to determine exactly the standard of conduct expected from players and caddies in SGA competitions. It is also impossible to make a list of all the acts in violation of the Code of Conduct. In most circumstances, any of the following actions by a player or their caddie at an SGA event constitutes a violation of the SGA Code of Conduct and could result in sanctions or penalties.

- Unsportsmanlike conduct, including abusive language, cheating, club throwing, disrespect to volunteers, officials or fellow competitors, or abuse and theft of golf course property.
- Not adhering to the dress code at the host facility.
- Conduct not becoming of an SGA player, such as acting in anger or creating other distractions such as loudly playing music or listening to sporting events during a round.
- Use of headphones during a round.
- Failure to treat host golf course with respect by ignoring the responsibility of caring for the course, filling divots and fixing ball marks.
- Physical abuse, threat of physical abuse, verbal abuse, slander or libel towards other players, host golf course staff or members, SGA staff, directors, or volunteers in any medium.
- Incidents of wagering or gambling are considered flagrant or excessive by the Committee.
- Use of cellular phones (except for emergencies, a ruling, viewing tournament leaderboard, viewing weather forecasts, or use as a distance measuring device), laptop and tablet computers, PDA's, and the like.

Code of Conduct Violation Penalties

The SGA Tournament Committee may assess any or all the following penalties based on severity and frequency of the Code of Conduct violation(s):

- First breach = Warning or Committee sanction
- Second breach = One penalty stroke
- Third breach = General Penalty
- Fourth breach or any serious misconduct = Disqualification

Depending on the severity of the violation, a tournament disqualification may also result in disqualification from future SGA event(s).

The SGA reserves the right to suspend or revoke a player's ability to compete in SGA events for a major breach of the Code of Conduct. SGA participants violating the Code of Conduct at non-SGA competitions may also be subject to the penalties above based on severity.
