Qualifying Spots and Medalist: The number of qualifying spots will be determined after the close of entries based upon the size of the field. Ties for the final qualifying position will be determined by sudden death playoff immediately following the conclusion of play. Unless otherwise determined in a sudden death playoff, alternates will be ordered by the scores at each qualifying site using the USGA recommended score card playoff procedure to break ties (last 9 (Holes 10-18), last 6 (Holes 13-18), last 3 (Holes 16-18), 18th hole, 1st hole, 2nd hole, etc. until the tie is broken). The number of qualifying spots will be posted when starting times and groupings are released. The medalist and anyone tying for medalist each receive a medal.

Caddies; Spectators; Cart Requests

- *Caddies:* Caddies are allowed for sectional qualifying and championship rounds. Caddies will not be available at host club.
- *Sectional Qualifying Caddie/Spectator Cart Policy:* During the play of a hole, either the player or his caddie may ride in a golf cart but not both at the same time. Spectators are not allowed to ride in a player's golf cart at any time.
- *Spectators:* SGA welcomes spectators at our championships. For your safety, we request that spectators walk near the cart path at all times. Spectator carts are not available.

Pace of Play: The SGA wants all players to enjoy competing in our events. Pace of play may differ depending upon the venue, weather and course conditions. Every player is accountable for playing at an acceptable pace, therefore we need your help. Please observe the following guidelines to help ensure a pleasant tournament experience for all:

- Make sure to keep pace with the group in FRONT of you. The group behind should keep pace with your group and so forth.
- Go directly to your ball. If sharing a golf cart, drop-off the player farthest from the hole then proceed to the other ball.
- Be ready to play when it is your turn.
- Keep practice strokes and time taken to read putts to a minimum.
- Play a provisional ball if your original ball may be lost or out of bounds.
- Keep time taken at the snack bar or between nines to a minimum.

If everyone does their part, then 4½ hours should be the maximum time taken to play a round of golf at an SGA tournament. Your SGA issued score card will have the acceptable pace of play per hole printed on it.

Pace of Play Policy

A group that is out of position will be advised of the situation and the individuals may be timed.

- Any competitor who is discovered taking more than 40 seconds to play a stroke is subject to a warning for slow play and will be advised of the fact.
- The competitor will be notified that exceeding 40 seconds on one more occasion will result in a penalty of one stroke in stroke play or loss of hole in match play. A third violation will result in a two stroke penalty in stroke play or loss of hole in match play, followed by disqualification for a fourth violation.
- A warning is any notice given to a competitor regarding pace of play.
- A competitor's time to play begins when the competitor has had a reasonable opportunity to reach his or her ball and when it is the competitor's turn to play and can do so without interference or distraction. Penalties are applied individually, but more than one competitor in a group may be penalized.
- In general, competitors in a group are subject to being timed at any time but specifically when the group is deemed to be out of position and over the allotted pace of play guidelines.

Note that a group that is out of position at any time may be asked to close the gap regardless of pace of play guidelines. A group is out of position if they are over their maximum acceptable pace of play and more than 15 minutes behind the group ahead of them. The first group off either side is out of position if they are over their maximum acceptable pace of play.
