CHAMPIONSHIP FORMAT

- 54 holes of stroke play.
- The field will be cut to the low 66 players and ties after 36 holes.
- The lowest score for 54 holes will be the Champion.
- In the event of a tie for the overall Championship only, a hole-by-hole play-off will be held immediately following play. The play-off holes and their order of play will be determined by the Rules Committee.
- Initial groupings will be for two days; the field will be cut and grouped by score after the second round for the third round.

PRIZES & AWARDS

Awards will be presented to the top three finishers. Champion will have his name engraved on the *Perry Adair Trophy* that is housed in the SGA office. Ties for second and third place will be determined using the USGA recommended scorecard playoff procedure to break ties (last 9 (Holes 10-18), last 6 (Holes 13-18), last 3 (Holes 16-18), 18th hole, 1st hole, 2nd hole, etc. until the tie is broken).

State Team Competition – All United States players are automatically entered into a State Team competition. Each state is comprised of the low four players from the same state. State residency is determined by the player's home address listed on their entry application. State Team winner is determined after the first 36 holes of play. Each of the winning team members receives an award. In the event of a tie, the aggregate score of all team members from round two will be used. If there is still a tie, then round one aggregate score is used. If an additional tiebreaker is necessary, then the highest 36-hole individual total score is matched, followed by the second highest, third highest and fourth highest until the tie is broken.
